CAITRON GmbH
HSH - support arm system
Report No. CA 2505-1630

Product series
Hygienic Design

Qualification Certificate

This is to certify that the product mentioned above, provided by

CAITRON GmbH
Weissensberg, Germany

has been awarded a Fraunhofer certificate TESTED DEVICE
bearing the report number CA 2505-1630.

The series HSH support arm system (material: stainless steel) is principally suitable for use in hygienic areas up to the following GMP Class according to EU GMP Annex 1:

Suitability
up to GMP Class A

However, this recommendation only pertains to the operating utility when in a resting state. An overall assessment can only be made after its installation in the production line.

This document only applies to the named product in its original state and is valid for a period of 5 years from the date the first document was issued. The document can be verified under www.tested-device.com.

Detailed information and parameters of the test environment can be found in the Fraunhofer IPA test report.
